## **Jet Star AS-II**

**Now S-LSA Approved by the FAA**

The Jet Star brings superb handling, easy access and comfort together in one economical package. This trike can play many roles, cross country GT, daily flyer, or instruction platform, all at a top level. The Jet Star truly shines in the light sport aircraft sky.

The Jet Star is offered with one of two engine choices, the Rotax four-stroke 912, or the two-stroke Rotax 582. Optional equipment includes an integrated digital instrument display and extended range fuel tank, among others to make your new Jet Star uniquely yours. Lastly, the Jet Star is backed by

one of the best warranties in the industry assuring you of a rewarding buying and flying experience.
